Thank you so much for being accommodating for the school and all of its last minute adjustments. Connie was awesome. She was so professional and great to work with. The food was wonderful and it stayed hot the entire time. As usual, Cincinnati Catering was the best place to work with for any catered event.

I just wanted to let you know that the lunch we had on Thursday was just wonderful, and it was enjoyed by all. I know there was a lot of confusion in the numbers and how it kept changing. I appreciate you being so kind and making it such a success for our group. The carver, Tony, did a fantastic job at setting up and serving. Everything looked very nice. We look forward to using your services in the future.

Just a quick email to say Thank You for the wonderful job Cincinnati Catering provided for our wedding. The food was excellent and the day was perfect. We even had guests sign our online guest book and comment on how wonderful the food was. Thank you so much for working with me and my sister to make sure my day was perfect and less stressful. The staff you sent to serve was top notch and the food quality was by far the best I've ever had from any caterer.

I just wanted to drop you a quick line to say thanks for all of your help with the reception menu. Everything was perfect. The people that served at our wedding were very nice and had everything set up and taken down without a problem at all! This really helps when you have so much to do on your wedding night.

I just wanted to let you know that everything was great for my daughter's wedding. Your staff was great, the food was great, and the table was beautiful ... things couldn't have been better. Your staff had everything ready and waiting when we were finally ready to sit down to dinner. They were all just wonderful to work with and took good care of everything. I'll be sure to recommend your service to anyone who is looking for a caterer.
